

TURNITIN ASSIGNMENT GUIDE FOR STUDENTS

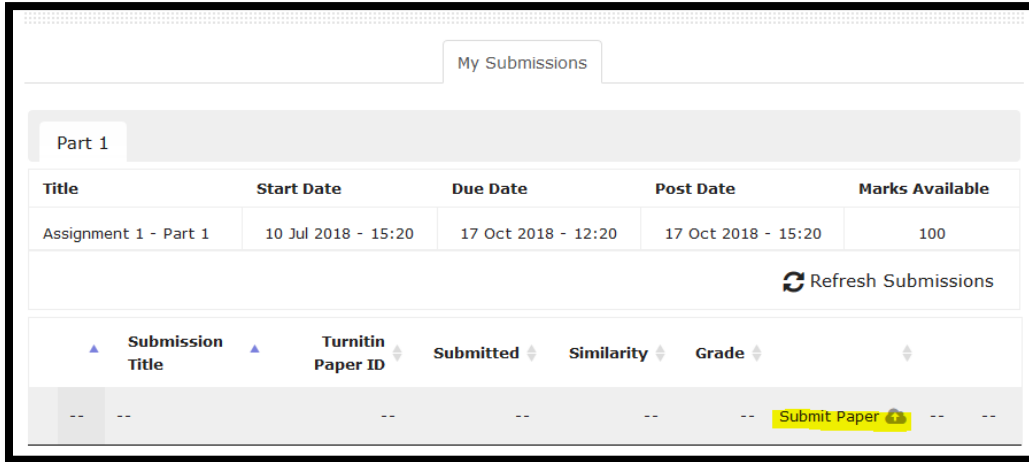

Use the following setups to upload your assignment in Turnitin Drop box.

STUDENTS VIEW OF ASSIGNMENT DROP BOX

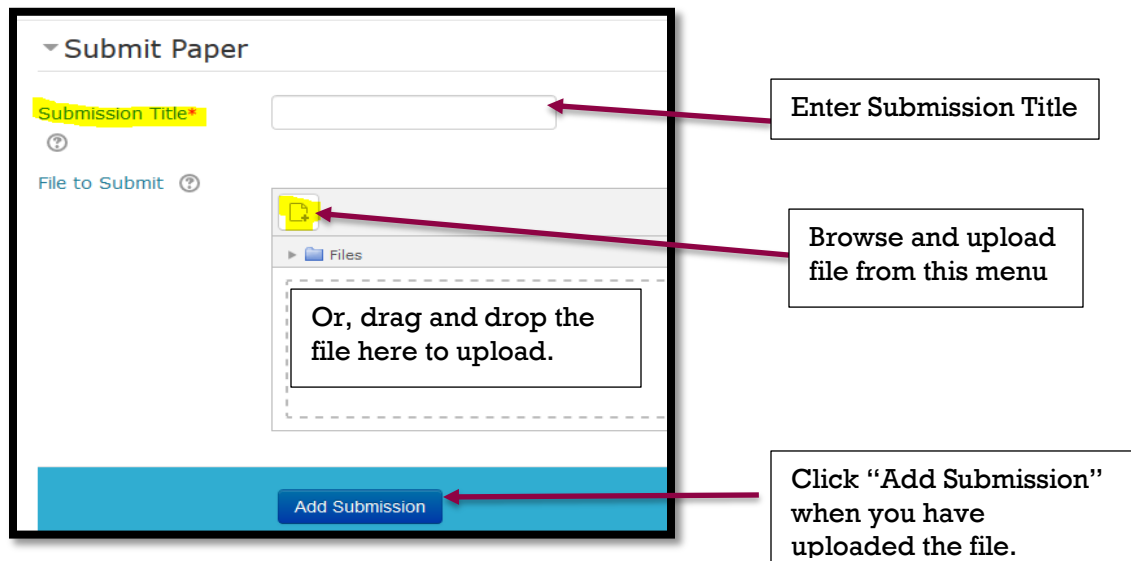

- Click on the Assignment Drop Box

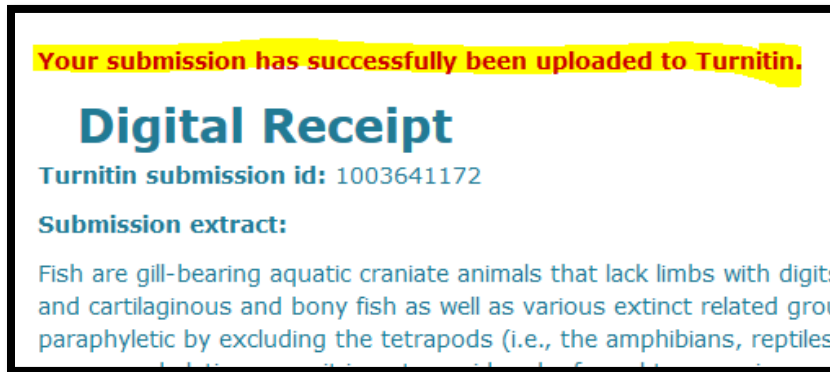

- Click on the “**Submit paper Link**”

- Select and Upload your file

- You will get a notification that your file has been submitted to Turnitin. Originality report will be available in 10 – 15 minutes for the first upload. All uploads after the first one for that particular assignment drop box will take 24 hours to be processed by Turnitin and the originality report will be available after that.
- Upon uploading your assignment you will receive a “Digital Receipt” stating that your submission has successfully been uploaded to Turnitin.

	Submission Title	Turnitin Paper ID	Submitted	Similarity	Grade	
View Digital Receipt	test	1003641172	18/09/18, 11:36	97%	--	Submit Paper

Turitin’s similarity index of plagiarized materials in the submitted file. Click on the value to view a detailed report.

Match	Source	Similarity
1	Submitted to Ritsumeik... Student paper	67%
2	evolution.berkeley.edu Internet source	27%
3	Submitted to Quest Int... Student paper	3%

- For resubmitting click “Submit Paper” and upload the file as in the previous steps. You can upload your submissions before the due date. When the assignment is past its due date then the “Submit Paper” option will be disable.

Important Note: Do not include in your files, cover pages with background colors or graphics or even template cover pages from Microsoft Word. Turnitin treats that as invalid characters and will not accept your files. Use simple cover page without images or colors.
